SKILL PAYS

Dedication

F. M. Dannenfelser

As our class was the first to enter Macomber Vocational High School, we feel that it is most fitting to dedicate this year book to the man whose dream was realized when this new school was built, our own principal, Mr. Dannenfelser. It was largely through his leadership that the extensive program of Vocational Education, which we enjoy today, was developed in Toledo.

We believe whole heartedly that Macomber Vocational High School as a training center is of great value to the young people and adults of the city, and contri-

butes materially to the many industries situated here. It also is an important factor in the training of men for the National Defense. We also believe that the Vocational Guidance Training and Placement Services which this institution offers helps to create opportunities for better jobs for all of us.

We feel that our principal, with his many years of work in the fields of Industry and Vocational Education has made a contribution of real value to us and to the city as a whole. We are proud to dedicate this "Craftsman" to Mr. Dannenfelser.

Foreword

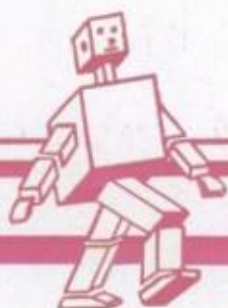

The class of "1941" is the first class to complete three years in the new Macomber Vocational High School Building.

As we have finished our course of training in our chosen vocations, we feel that we have greatly benefited from our studies and equipped ourselves well for our life's work.

To our Principal and faculty, whose untiring efforts have been responsible for our development, we express our heartfelt thanks.

We feel that with the practical knowledge we have gained, we have a solid foundation on which to build our future life.

So to Mr. Dannenfelser, and to each teacher of Macomber Vocational High School, the class of 1941 expresses its sincere appreciation.

School Song

All Hail! Vocational, Our Alma Mater, Hail!

All Hail! Vocational, Our Pride and Glory, Hail!

Within thy sturdy walls we come to learn thine art.

May we all firmly strive our best to do our part.

All Hail! Vocational, Our Pride and Glory, Hail!

Thy precepts and thy manly virtues mark each day,

Thy spirit and thy dauntless faith will live for aye.

With ready hands and hearts we'll build each structure true.

And may our lives a worthy pattern be thru you,

All Hail! Vocational, Our Pride and Glory, Hail!

All Hail! Vocational, Our Alma Mater, Hail!

All Hail! Vocational, Our Pride and Glory, Hail!

We raise our youthful voices on high to sing thy praise.

Oh, deep within our hearts abide thru all our days.

All Hail Vocational, our Pride and Glory, Hail!

UNDERSTANDING

Today, with the world in its present chaotic condition, there must be in the mind of every Macomber graduate a very perplexing question as to what the future holds for you. In the past you have enjoyed a bounty from this great country far beyond that enjoyed by the youth of other lands. An emergency exists - at the present time and you are faced with the immediate task of helping to strengthen the National Defense. The greatest task which faces you is to perpetuate for yourself and all others in this country

the freedoms enjoyed in our democratic way of life. Never in the history of mankind have you had such an abundance of power, mechanical skill and technical ability to use in this world of work. With these weapons, I am proud to say that Macomber graduates will take their proper places, whether in peace or war, to make the world of tomorrow a better place in which to live.

May God watch over you and speed your journey.

Seniors In Service

Charles Ginsburg

CHARLES GINSBURG, an aeronautics student in Macomber Vocational High School, was one of the first to join up with the Civilian Air Reserves, in which he received his Sergeant's stripes.

Charles is now with the 135th Field Artillery, Battery F, 37th Division, at Camp Shelby, Miss., as a second class private.

In addition to taking aeronautics at Macomber, he also studied this subject in night school at the Y. M. C. A.

Elmer Blakeman

ELMER BLAKEMAN, another Macomber student, joined the 8th Battalion Marine Reserves, of Toledo, in November 1939. In November 1940, he was called for active duty, then transferred to the Heavy Artillery Division. He is now stationed at Guantamano Bay, Cuba.

While in the service he has won several awards for marksmanship.

Both boys are happy at their work in the services.

LAWRENCE SMITH, a student in Auto Mechanics, was notified October 11, 1940, to report for service in the Naval Reserves. He left school the third week of October and actually entered the service on November 1st.

Calendar . . .

The end of this year marks the third anniversary of Macomber and will also be the first time that a graduating Class has completed three years at Macomber. Let's look back to see what took place; to bring back some of your memories when you were a student at Macomber in the years of 1940-41.

SEPTEMBER

- 9 Once again the doors of Macomber are opened to the students who believe that skill pays.
- 12 The baseball team trims Walbridge 12 to 4.
- 18 The Walbridge team takes another beating 12 to 7.
- 24 Macomber band leader puts forth first call for students to play and is greeted by 24 lads.
- 25 First School Dance of year.
- 30 Intramurals start off by getting the fellows into some punchball.

OCTOBER

- 1 The annual Open House at Macomber attracts 2500 to see us on review.
- 2 Macomber takes some pictures of Mr. Willkie during his visit to Toledo. First school skating party held by Plumbers.
- 7 Mackmen win third game by defeating Tontogany 1 to 0.
- 9 First school motion picture turns out to be a historical play: The Hunchback of Notre Dame.
- 10 Mr. Freiman's machinists take a trip through Kent Owens.
- 11 Mr. Sanzenbacher is greeted by Helen Louise. Weight 6½ lbs.
- 16 The Graphic Arts boys take an interesting tour through the Blade Plant.
- 24 Mr. Dannenfelser returns after a short illness.
- 29 The new Student Council holds its first meeting.
- 30 Very few students in school. Why? The Metal Trades all visit Ford Plant.
- 31 Holloween.

NOVEMBER

- 1 The teachers have a little pow-wow at the annual NWOTA meeting; No school.
- 5 Uncle Mac comes before all the Republicans and Democrats in the land.
- 9 The Armistice Day Program gives the band a chance to play before students.
- 11 Armistice Day brings out the flags once again.
- 12 The Drafters prove that they aren't so old as they become the punchball champs.
- 15 A lot of fun is had when the Senior Hi-Y held a skating party. The Junior Board of Control gets together in a meeting.
- 19 Mrs. Schwachenwald goes for swing; she wins herself a radio.
- 27 A picture that the Student Council presents to be big boom (Drums Along the Mohawk).
- 29 Play Ball. Macomber 42, Whitmer 12. First victory.

DECEMBER

- 6 Perrysburg downs the Macomber Varsity 42-36.
- 5 The W P A dancing classes are becoming more crowded (every other Wednesday).
- 11 This day belongs to the Senior Hi-Y as they beat the Engineers 19-13 in their annual fray.
The Toledo Scholastic Press Association holds first meeting and elected a Macomber man for their president.
- 13 Macs are nosed out in first city game as Woodward wins 27-22.
- 16 Dean Baumker goes to San Francisco to represent Macomber in The American Vocational Association Convention.
- 18 Craftsmen down Zippers in Holland 37-28.
- 20 A Merry Christmas and A Happy New Year rings once again through Macomber's halls as all enjoy themselves at the annual Christmas Parties.
- 21 Beginning of Christmas Recess.

CRAFTSMAN

Calendar

JANUARY

- 11 Tiger's Den is too much for Macomber; they lose 49-41.
- 13 Payments on the Annual start off with a bang.
- 23 The Seniors start to spend their money as everyone tries to get his ring payments made to go in with first order.
- 29 All enjoy the every other week dance given by the W P A Orchestra.

FEBRUARY

- 11 Six men on a dead man's chest Yo Ho Ho and a Bottle of Rum....."The Sea Hawk" is brought to Macomber by our Student Council.
- 12 A man's birthday fell on this date; everyone knew him as "Honest Abe."
- 21 Robots invaded Indian's tepee and lost by the nice score of 25-18. Only one game left, Uncle Mac.
- 26 The Hi-Y (Sophomore-Junior) held one of their successful skating parties.
- 28 Remember the game that Macomber lost to Scott 35-28.

MARCH

- 7 The annual Junior Prom turns out to be a grand success.
- 11 The W P A orchestra visits Macomber again with more Macs dancing than sitting. The 1941 varsity team takes the floor for the last time at the Field House against Libbey and comes out on the short end 31-28.
- 23 The Reserves lose by a slim margin to the Faculty 53-51.
- 25 The Hi-Y Club from Woodward visits the Macomber Hi-Y and they engage in a little game of basketball, losing the first but taking the second, 24-16.
- 27 The ninth graders from all Toledo schools begin to visit Macomber.
- 28 The car stickers make their appearance with the Robot as the trade mark.
- 31 The Annual Foul Shooting Contest gets under way.

APRIL

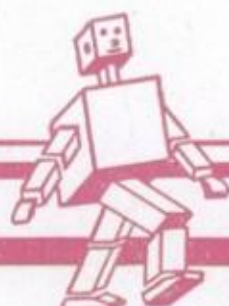

- 1 You can fool some of the students some of the time but you can't fool all the students all of the time.
- 4 The Seniors take the tests given by the Employment Agency.
- 14 Everyone comes back still filled with thoughts of vacation.
- 18 We can't find words enough to express all the pleasure everyone had at the Senior Prom; the most important social event of the year.
- 24 The Student Council comes through with another fine picture, "The Buccaneer".
- 25 The Engineers make the wheels roll again as they hold another of their noted skating parties.
- 28 The top 300 in the Meri-Mac ticket sale have the honor of signing Mr. Dannenfelser's picture.

MAY

- 1 The Meri-Mac Carnival gets under way.
- 2 The second day of the Carnival turns out to be more fun for everyone.
- 8 The students who have helped put Macomber on top receive awards at the annual assembly for this purpose.
- 15 Everyone who attended the Senior Banquet gets their fill of some of Mrs. Schwachewald's "food fit for a king".
- 28 Final Exams make the Seniors worry a little.
- 29 Final Exams take their deadly toll; making the students open up those books for a bit of polishing up on that thing called memorizing.

JUNE

- 5 Graduation leaves only a few more hours for the last time a Senior will have a chance to attend one of the greatest things in the world, a place to learn, a free American School.
- 6 Close of school.
Good Luck, Seniors.

The Student Council is the same as our government—it stands for democracy. To promote good-will and cooperation between the students and the faculty; to aid in solving the problems confronting Macomber Vocational High School is its function.

Through participation in school affairs, each pupil is aided in acquiring a sense of honorable and respected citizenship. The Council also works to develop in the student the power of self-government by teaching him, through actual participation in school government, his responsibilities and duties to his fellow students and the school; thus to secure the training necessary for a good citizen.

On November 15th, the Hi-Y held a skating

party at Memorial Hall which was a grand success.

The Hi-Y trimmed the Engineers in the annual basketball game between the two clubs. The Engineers continued the usual custom of entertaining the winners.

The Hi-Y was represented at the 36th Annual State Hi-Y Conference, which was held at Dayton, Ohio, on November 29th. and 30th. and December 1st: also at the National Hi-Y Congress held at Oberlin.

The Hi-Y Friendship forums, held on Sunday afternoons throughout the month of February, acquainted many a Hi-Y man with the weaker sex.

The Friendship Club girls, from Harriet Whitney School, gave a party for the Macomber Hi-Y and Engineers Clubs. All who attended had a fine time.

The Hi-Y Club wishes to express its appreciation to both Mr. Krost and "Doc" Miller for all they have done for the Club. Without a doubt they will long be remembered by all.

The Hi-Crier, official newspaper of Macomber, is an essential part of school life. It helps to promote and to increase interest in social, educational, and athletic activities of the school. Through its pages clubs, sports, and other school events receive publicity.

The paper familiarizes outsiders with Macomber. It is distributed to other schools throughout the United States in exchange for a copy of their publications.

The Hi-Crier helps to develop school spirit, patriotism, and loyalty through closer association of students and faculty.

Participation on the staff is purely voluntary, there being no journalism classes. All work is done by these students, which includes writing, composing, and printing the paper. Advisers stand by for help which may be needed. The Hi-Crier boasts of this, for it is the only high school publication in the city allowed practically complete independence. This experience proves excellent training. It teaches the lads to shoulder responsibilities which they will face later in life.

The 'Crier is indeed a paper of the students, by the students, and for the students.

The object of the Engineering Society is: to further the study of science and engineering, beyond the point ordinarily obtainable in High School, by means of plant trips, lectures, motion pictures, and slides. The club was somewhat handicapped during the past year because many plants would not permit group visits because of the defense work going on.

The Band

Macomber students are proud to have their own band. Even though it is in its first year, it is making steady progress, under the able leadership of Miss Cecile Vashaw. By next year she hopes to make it an important organization of

the school, with from fifty to sixty pieces. We all feel that a good band is a credit to our school, and a help to our social activities.

While winning three City League games this season, seven of the nine varsity cagers have said goodbye to High School basketball. They are Chris Georgeff, Melvin Symington, Joe Koren, Bill Green, Blaine Reinhart, Jerome Bocian, and Bill Whitacre. All of these men have fought to the last whistle giving all they had. These three games have started our team on the victory trail again. The first was the Woodward game, in which Chris Georgeff set a season record by scoring nine goals and six fouls for 24 points. Then to make it two straight, the Mackmen pulled the biggest upset of the season in turning back the favored DeVilbiss

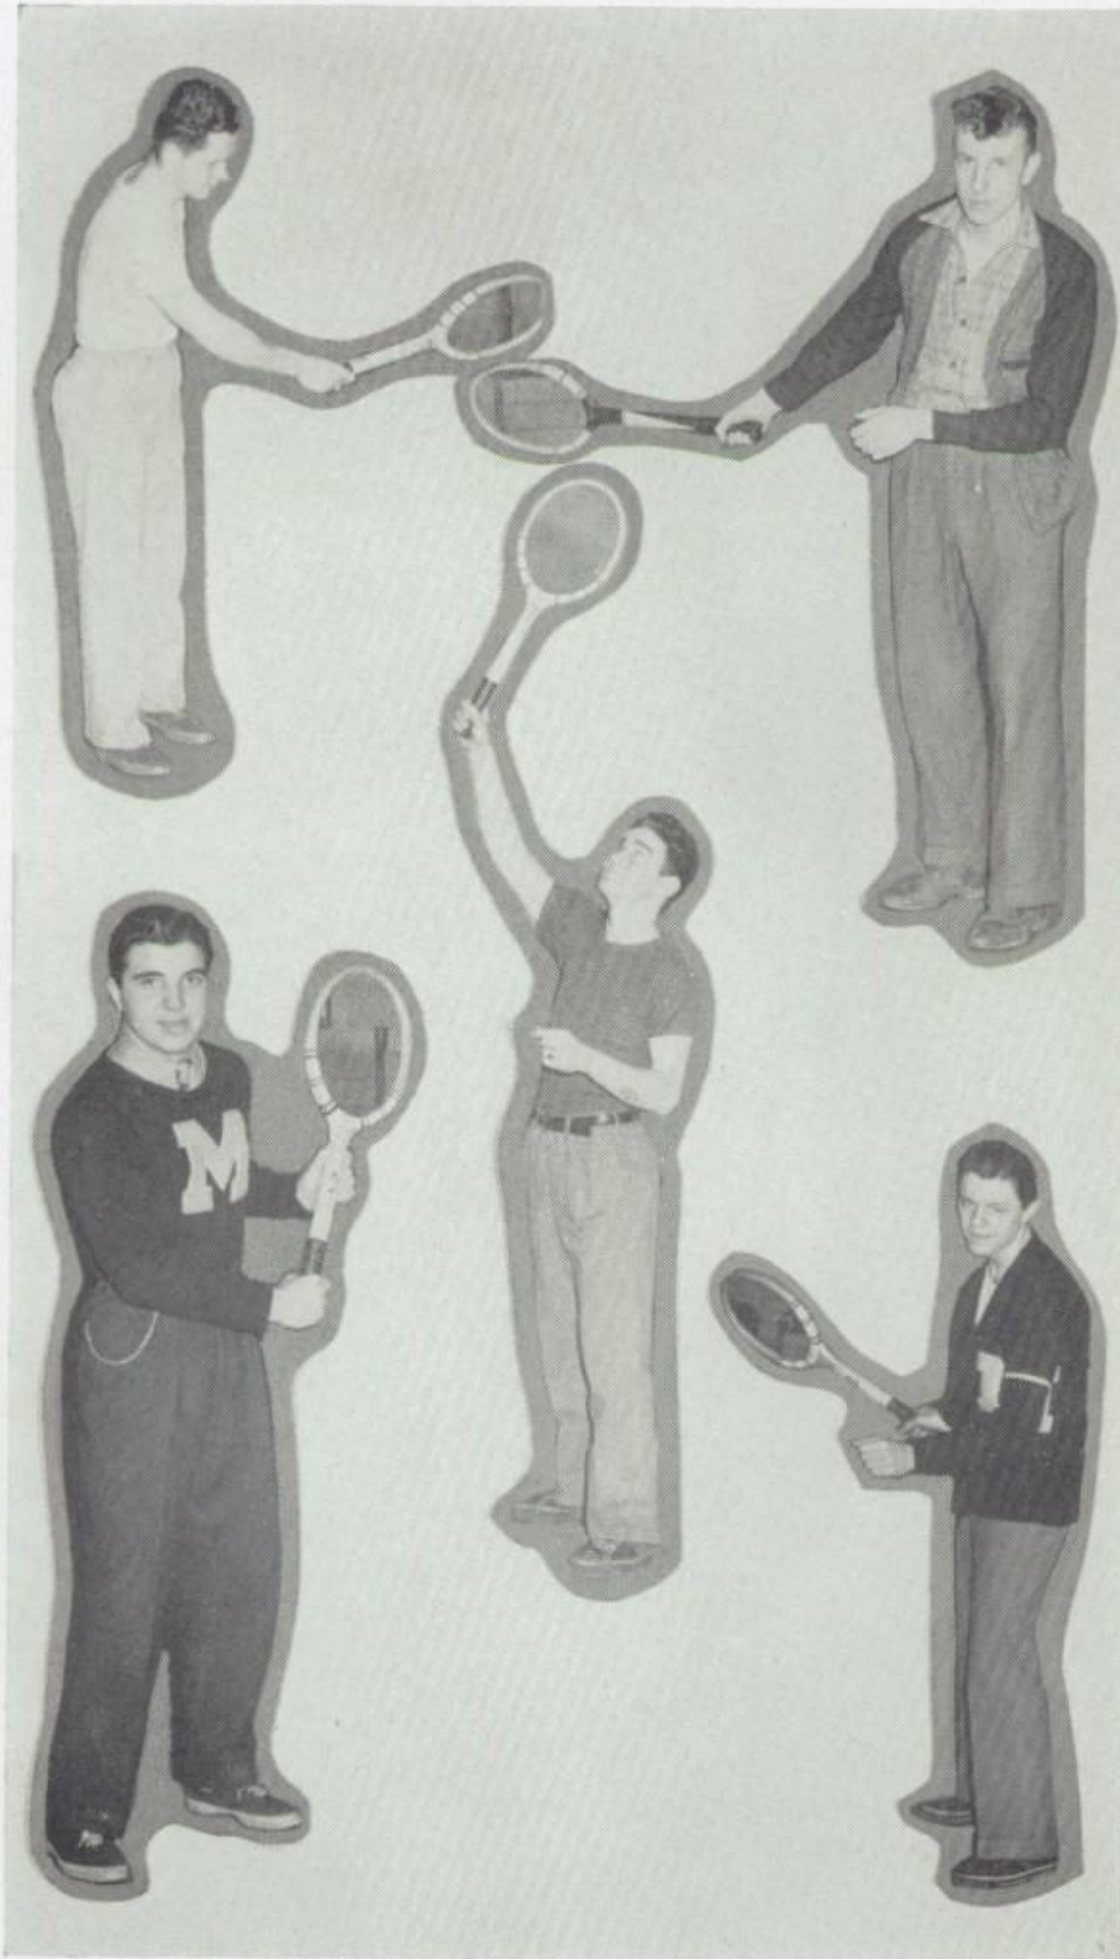

Tigers 49-45. Another grand game was our victory over Central Catholic 41-39. Three lads that have had a taste of Varsity ball and will be back again are: Leonard Tincher, Dick Kautz, and John Whitacre.

Our lightweight squad really came through this season: winning 11 while dropping 4. This same group will be back again next season representing the Varsity. Leading scorers for the lights were Eugene Gyurko with 72, Joe Swaskee 70, Al Grove 63, John Whitacre 58, Dan Pilazynski 39, Tom Rutter 36, Ed Spellis 29 and Ed Ledford with 27.

Tennis

With five lettermen back from last year's squad, we are expecting our 1941 tennis team to go places this season. With this lineup, Coach Bippus expects a good showing from our school. Topping the list, as our number one player, is Paul Homier. Following in succession are: Owen Mauk, Charles Gamby, Jack Aubry and Louis Wilusz. As graduation will claim each of these fellows, Coach Bippus will be obliged to pick a new squad for next year.

Due to prevailing bad weather, the Craftsman nine opened the 1941 baseball season without much batting practice. This was the main reason that the team lost four consecutive contests. Included in these games lost was an 11

inning 6 to 5 setback at the hands of the Woodward Polar Bears.

With improved hitting punch the Mackmen were able to turn back a favored Pemberville squad by a score of 5 to 2, thus ending their four game losing streak.

In an effort to bolster a weakened pitching staff, Coach Clyde Harr sent JOSEPH "YO YO" OKENKA, a grand second baseman, to the mound to face the Scott bulldogs on April 25. Joe responded by pitching a masterful five hit 3 to 2 victory, the second in two days. With

added pitching ability, improved fielding and timely hitting the Mechanics are on the victory trail again.

With three consecutive baseball championships already to their credit, Macomber teams don't intend to take a back seat in any league.
